

HEANIUM T-Bush, Drop-Wire Guides and J-Hooks

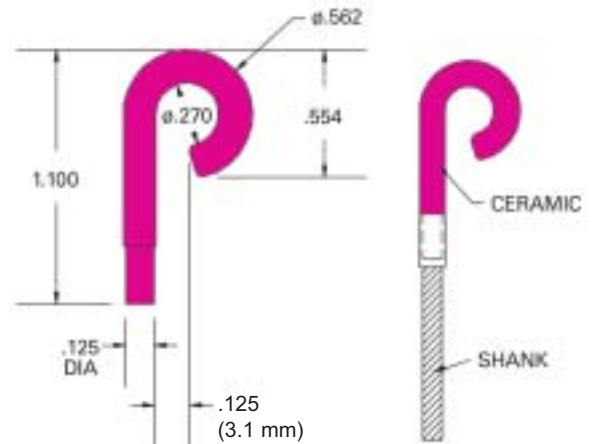

Heanium can be manufactured in both simple and complex geometries to meet the demands of a wide range of applications. The T-Bush guides have a trap design that allows easy self-threading, while maintaining wire and fiber control. Additional standard and custom parts are available. Contact our **technical sales** department for more information.

Standard tolerances on all dimensions are ± 0.010 inch or $\pm 1.5\%$, whichever is greater. Diamond grind and/or hone to ± 0.0005 inches is available.
